## GUIDES TO BOARDROOM PRACTICE

### THE REMUNERATION OF EXECUTIVE DIRECTORS

(GBP1)  
This Guide considers the manner  
and the machinery; salaries and  
fees; performance-related  
payments; participation in  
company equity; benefits in kind  
and service agreements.  
£2.95+p&p.

### THE BOARD AND THE AUDITORS

(GBP2)  
How should the relationship  
between board and auditors best  
be conducted? This Guide advises  
on accounting principles; scope of  
audits; cost and selection of  
auditors and implementation of  
their recommendations. Specimen  
terms of reference for an Audit  
Committee are included.  
£2.95+p&p.

### EMPLOYEE INVOLVEMENT

(GBP3)  
How employee involvement  
policies can improve business  
efficiency and competitiveness;  
the board's role in employee  
relations; communication and  
consultation; share ownership. A  
major section of the Guide covers  
policy considerations for boards,  
including objectives, credibility,  
training, monitoring and board  
commitment. A further section  
examines the legal environment.  
£2.95+p&p.

### SHARE OWNERSHIP FOR EMPLOYEES AND DIRECTORS

(GBP4)  
This Guide examines approaches  
to employee share ownership;  
benefits to the company; options;  
profit sharing schemes; and the  
needs of different companies. A  
separate section examines share  
ownership for directors.  
£2.95+p&p.

### THE BOARD AND CONSUMER PROTECTION

(GBP5)  
Few directors are adequately  
briefed on the wide scope of the  
consumer protection legislation,  
which imposes many complex  
requirements on the companies  
they direct, and fewer still are  
aware of their own potential  
exposure to personal liability if  
their company stumbles. To warn  
and help them and their  
consumers the Institute has  
produced this addition to its  
'Guides to Boardroom Practice'  
series.  
£2.95+p&p.

### DIRECTORS' PERSONAL LIABILITIES

(GBP6)  
This invaluable Guide identifies  
250 statutes which create a personal  
liability on directors for offences  
committed by their company - in  
addition to nearly 200 offences  
created by the Companies Acts  
and the directors common law  
duties in contract and tort to  
companies and third parties.  
£2.95+p&p.
